JUANITA MONTALVO

She is the Senior Vice-President (SV), External Affairs and Sustainability, at Sherritt International Corporation. She served as the SVP of Corporate Services after working as Deputy Managing Director of External Affairs for the Ambatovy Project as well as the Country Manager for Sherritt International Corporation in Madagascar.

Prior to moving to Madagascar in 2008, she was the VP of Operations Support in Cuba and General Manager of Sherritt's Soy Processing Compagny (PDS).

She joined Sherritt in 1997 where she has held various positions at the corporate and operations levels.

Prior to joining Sherritt, she was the Interim Executive Director and Director of Programs at the Canadian Foundation for the Americas (FOCAL), after starting her career at the International Development Research Centre (IDRC). Juanita is passionate about the visual and performing arts and is an avid contributor to emerging artistic projects. She was instrumental in initiating the Sherritt Collection of Contemporary Cuban Art at the Gallery of Ontario.

Juanita Montalvo holds a Masters in Development Economics, a Bachelor of Arts in International Development Studies, and a Bachelor of Science in Biology, all from Dalhousie University, Canada.
